Re: Vendors for Shadow Mtn.

Dear Owner,

This is to update owners regarding our vendors. We have the utmost confidence in all of our work men and women. However, some of them are not licensed. We do have a licensed electrician and plumber.

Any home under a builders or home warranty uses that company's vendors.

Please sign on the appropriate line to accept, or Not accept an unlicensed vendor chosen to help keep expenses down. Please return in the enclosed envelope.

Owner Name _____

Address _____

Property address _____

***I accept the use of unlicensed vendors** _____

***I do NOT accept the use of unlicensed vendors** _____

Thank you for your time.
